The logo of the Arkansas State Highway and Transportation Commission is circular. It features a blue outer ring with the text "ARKANSAS STATE HIGHWAY AND TRANSPORTATION COMMISSION" in white capital letters. Inside the ring is a stylized map of Arkansas in white, with the word "ARHTO" written vertically in red letters across it. A small gold star is positioned at the top center of the blue ring.

A Special Welcome From the
Arkansas State Highway Commission and

As you travel our Interstate Highway System, you will notice improvements that are being financed with newly approved bonds. The bond proceeds are being used to reconstruct, repair, and improve the interstate system. Reconstruction during the next few years will greatly improve our interstates, which are vital and integral parts of the National Interstate Highway System. We want to explore the National State as safe and pleasant as possible, we have initiated a public information program to assist you. Information about travel conditions is available from the Department's Internet Web site, www.fhwa.dot.gov, and from the Department's toll-free 1-800-427-7622. At construction sites, radio stations and the Department's Internet Web site.

We ask that you observe posted speed limits, watch exits and no passing zones, leave additional room between vehicles, "merge up" for work zones in construction zones and above all be attentive and courteous. By working together, we can make our interstate system safer and more enjoyable for your traveling safety and convenience. Please drive safely and visit us again.
